

NOVEMBER POOL STATUS UPDATE:

As we enter November, students are returning to classrooms and the school district is debating re-opening facilities to outside groups (like Riptide). They have still not announced any firm dates or conditions. We will let you know as soon as we are allowed back into our main facility.

In the meantime, we are conducting limited practices via Zoom for dry land exercise and at the swim school from 8-9pm with limited space available for age-group members.

Masters practices remain suspended until further notice.

Thank you for your patience in these tough times,

Riptide Coaching Staff
